

## Cambridge Saab- News Letter

No job too complex\* or too small for our fully qualified and experienced Saab technicians....

\* a 9-3 Tid undergoing some 'top end' surgery

Saab as a manufacturer may have sadly gone, but please be assured: we are here to service and repair your Saab, with a ready supply of Saab parts and originally trained factory technicians we are more than up for the challenge

You can call our service team direct on **01223 873498, 873490 or 873492**, with regular service offers and competitive pricing on tyres, brakes, your Saab can continue to enjoy the benefits of a Saab dedicated service and parts team

We look forward to welcoming you very soon at our Aftersales centre in Trumpington
